

Call for individuals registered in the Beneficiaries Registry of the Action "Granting of Financial Aid to Support Tourism of the Island of Rhodes" year 2024 («Rodós Week») for the issue of a "Travel Voucher" ("e-voucher") for the 2nd Period - Autumn period

As **from 16/9/2024 until 10/11/2024 included**, Individuals registered in the Beneficiaries Registry of the Action "Granting of Financial Aid to Support Tourism of the Island of Rhodes" year 2024 («Rodós Week») of the Ministry of Tourism can enter the specific Rodós Week application (<https://vouchers.gov.gr/rodos-week>) and submit an application for the issue of a "Travel Voucher" (henceforth "e-voucher") for the 2nd Period – Autumn period.

In their e-application, the beneficiaries-recipients of the e-voucher must declare the seven (7) consecutive days (six/6 nights), **from 1/10/2024 until 15/11/2024**, on which they are going to stay in one of the hotels from those available at the specific time and registered in the relevant *Hospitality Hotel Business Registry* of the Ministry of Tourism, which hotel must be of the same category (stars) as the one in which they resided and was evacuated during the critical period of July 2023, as well as select a room of the same type as the one in which they stayed during the above July period.

It is noted that, before choosing the hotel and the room within the e-application, the beneficiary-recipient of the e-voucher must contact the Hospitality Hotel and come to an agreement with them to confirm the room availability s/he wishes and then record the unique reservation number s/he will be provided with by the hotel business in the relevant application field.

After completing the above process and filling in all the fields required, the beneficiaries can proceed, via the special Rodós Week e-application, with the issue of the personalized e-voucher with the unique reservation number, in which their details, the details of the chosen hotel, the room type, and the length of their stay will be listed analytically too.
